

How to find Lytchett Minster School

We recommend you approach the school from the A35.

1. At the roundabout with the A351, take the exit onto the B3067 (Dorchester Road), passing the Baker's Arms public house on your right.
2. Approximately 100 yards along this road, turn left along the single-track Post Green Lane.
3. At the end of this track, turn left onto Post Green Road, and follow the road for about 400 yards past various farm buildings.
4. A 'school' warning sign is posted roughly 50 yards before the school's entrance, which will be on your right.
5. Turn into the driveway and park in the main car park in front of the Manor.
